Tale 913

November 6th, 1913

Dr. Graham,

Victoria College,

Toronto.

Dear Dr. Graham:

I regret that on Friday afternoon I have an engagement that will make it impossible for me to be at the meeting of the Religious Education Association.

I am very doubtful, however, as to the feasibility and advisability of organising at present a Canadian Section of the Religious Education Association. We have so many organisations to keep up that it is becoming increasingly difficult to find time and means for doing so, nor do I think that the resulting advantage of a special section would justify the energy required.

With kind regards, I am,

Yours sincerely,

President.
